

United Lutheran Church of Long Island
Annual Report
2025-2026

Board of Trustees President's Annual Report 2025 - 2026

June 1, 2026

Dear Members and Friends of the United Lutheran Church of Long Island,

As we prepare for our first Annual Meeting as the officially recognized United Lutheran Church of Long Island, I wanted to take a moment to reflect on what an incredible year this has been for our congregation and to thank God for the many blessings He has provided throughout this journey.

After many years of prayer, hard work, planning, and perseverance by countless members across Gloria Dei, King of Kings, and St. Peter's, we are now officially united as one church family. It is truly an honor for me to serve as President of the Board of Trustees during such an important moment in the life of our church. What once felt like a distant vision has now become a reality, and we give thanks to God for guiding us every step of the way.

This transition would not have been possible without the dedication of so many people working quietly behind the scenes. I want to sincerely thank everyone who served on transition committees, church councils, finance teams, ministry groups, and the many other committees that helped make this merger successful. More importantly, I want to thank every member of this new congregation. Over the past year, I have been incredibly blessed to meet and speak with so many wonderful people who care deeply about this church and our mission. Without each of you, this transition may never have happened, and all three congregations could have found themselves in a very different place today.

While there is still work ahead of us, there is also so much to celebrate.

Our Soup Ministry continues to grow and has been a tremendous success, providing meals, comfort, and fellowship to those in need throughout our community. Likewise, our congregation continues to support many local organizations through ongoing collection drives and donations for groups such as Joseph's Storehouse, Helping Hands Rescue Mission, Family Service League, Tri-CYA, and Book Fairies. These ministries are a wonderful example of living out our Lutheran faith through service to others and being the hands and feet of Christ in our community.

This year also brought many exciting moments of fellowship and outreach. Our St. Patrick's Day Party was another tremendous success with over 80 people in attendance, and our Easter Egg Hunt was the largest we have ever hosted, welcoming roughly 800 members of the community onto our campus. It was incredible to see our church filled with so many families, children, and visitors. Programs like these remind us that God is continuing to open doors for us to connect with our surrounding community in meaningful ways. We are also excited to continue building on that momentum and hope many of you will join us as we begin planning for an Oktoberfest celebration later this year. Anyone interested in helping with the planning or hospitality efforts is encouraged to reach out to our Hospitality Committee — also known as the Harris family — who continue to do an incredible job bringing these events together for our congregation and community.

We are also grateful for the continued success of the HOOP Dreams basketball program, which continues to do great things for local youth while making excellent use of our gym and facilities as a resource for the community.

This year also marked several important transitions within our church leadership and staff. We are excited to officially welcome Deacon Peter Teichmann, who will soon be formally installed. We also celebrated Pastor Christian stepping fully into his role as our full-time pastor after faithfully walking alongside us throughout this consolidation journey. His leadership, energy, and vision continue to help guide the ULC forward.

At the same time, we extend our heartfelt gratitude to Pastor Rebecca Pollicino and Bobby Bass upon their retirements. Pastor Rebecca's guidance, patience, and leadership throughout this entire process were invaluable, and Bobby's years of service and dedication to our church are deeply appreciated. We are also thankful to Antonio, who has stepped into the role of full-time sexton and continues to do a wonderful job caring for the St. Peter's campus and supporting the day-to-day needs of the church.

We are also excited for our upcoming mission trip to Guatemala and want to thank everyone who has already been actively involved in the planning, fundraising, and support efforts for this important mission. It is another wonderful example of our congregation coming together to live out our faith beyond the walls of our church.

We will continue utilizing all three campuses while focusing on how to best steward the properties God has entrusted to us. Worship schedules and ministry programming will continue in a way that supports our growing Sunday School, community outreach, and congregational needs.

God has truly given us an opportunity for renewal and growth. As Lutherans, we know the church is not simply a building, but a community of believers gathered around God's Word and called to serve one another. We remain committed to being a strong Lutheran presence in our community — sharing Christ's love, welcoming others, and continuing the important work that has brought us to this point.

As always, please never hesitate to reach out to anyone on the Board of Trustees or Church Council if you need anything. Our pictures and contact information can be found in the Narthex.

Thank you again for your continued faith, support, prayers, and commitment to the United Lutheran Church of Long Island. I look forward to gathering at our first Annual Meeting and to all that God has planned for our church in the years ahead.

God's blessings to you all,

Sean Vogel
President, Board of Trustees
United Lutheran Church of Long Island

Deacon Annual Report

Dear brothers and sisters in Christ. What a year it has been! After years of diligent and loving efforts, the United Lutheran Church of Long Island (ULCLI) has been legally recognized and added to the roster of the Metropolitan New York Synod (MNYS) and the Evangelical Lutheran Church in America (ELCA). Yay God!

But our work is not done! There is much to do in the area of what I like to refer to as “the business of the church.” Perhaps the most important step has been accomplished by our committed Finance team. I’m referring to opening a joint bank account in the name of the United Lutheran Church and creating a unified budget for presentation and (hopefully) approval at the Congregational Meeting. Many thanks to the Finance Team for their efforts! As time moves on, many more acts of consolidation will occur, all of which will strengthen the foundation of the ULCLI and concurrently the Lutheran presence in the Huntington/Melville communities. Please read and listen to future announcements and, if possible, volunteer where you can to further this awesome new ministry!

As you know, my deaconate internship ministry centered on transitional ministry in today’s church, not only here in the Huntington/Melville area, but within the MNYS. My experience gained from the ULCLI consolidation effort is being put to good use as I team with Pastor Rebecca in assisting other congregations as they struggle to discern their futures. Many thanks to our Bishop and the Synod staff, who have recognized this need and have been very supportive.

My internship has been full. In addition to working with our Transition Management Team and the local and Synod-wide consolidation efforts, I have been attending meetings of the Huntington Interfaith group, which consists of religious leaders from the Town of Huntington and meets monthly, and works to further the faith-based presence in the town. I have also been serving as the temporary ULCLI ambassador to the Huntington Action Network Against Hate (HANAH), an interfaith coalition on Long Island dedicated to bridging community divisions and fighting hatred. Notice I say temporary, as I am holding the spot until someone from ULC steps in. And just to make my schedule even more jam-packed, I continue to serve on the Synod Council and the Synod Diaconate Council for which I co-chair the candidacy committee. In my spare time, I continue to serve as the Alumni Director of Pinecrest Lutheran Leadership Ministries, which will soon begin celebrating its 100th anniversary year!

Personally, my year was highlighted by being set apart as a synodical deacon in April, which was, and is, a very humbling experience. I never imagined beginning a new chapter like this at this point in my life, and I thank all of you at ULCLI for your support as I completed my training, and I know you will continue to be supportive as the ULCLI continues to grow. A

deacon is a minister of Word and Service (clergy are ministers of Word and Sacrament). Over the months, I have preached at the ULC and have presided at several sister congregations that are without full-time pastors, which is not really the deacon's job, but it is difficult to say no when asked. I have covered for Pastor Christian at both the Sunrise Assisted Living and Apex Rehab chapel services and have led numerous Bible studies and mid-week services. Basically, I try to be at most church events when I can. I need to step it up a bit in terms of visitation, but I have been doing better with that in recent months. I do recognize that this is not my strength, and I ask that you pray for me as I continue to grow this part of my ministry.

Congratulations to us all here at the United Lutheran Church of Long Island! We have come a long way in the past five years and with God's strength and guidance, we will continue to grow stronger every day!

God bless you all,

Deacon Peter

Description of Diaconal Call from 2025-2026 for Doreen Mazzei-Buckman

With prayer and guidance from the Holy Spirit to do God's will Doreen Mazzei- Buckman requests extension to serve as a Rostered Synodical Deacon at the newly named United Lutheran Church 11 Ogden Court Huntington Station NY 11746, a congregation of the Metropolitan New York Synod, where 3 churches, St. Peter's, Gloria Dei & King of Kings has joined together as one.

I was called in 2025-2026 to minister word and service to teach the word of God under the guidance of Pastor Christian Cederstrom to include the following but not limited to the ministries.

Teach weekly yoga classes on zoom for the benefit of LI Tres Dias & United Lutheran Church.

Facilitate a Lutheran Service at Carillion Skilled Nursing Facility on the 3rd Monday of the month.

Visited parishioners in Asst. Living, hospitals, nursing homes as directed by Pastor & Carillion.

Performed duties at Sunday worship service & funeral services directed by Pastor Christian.

Spiritual Direction duties, presentations & Peer Supervision under the direct supervision of Josephine Daspro, St. Joseph's Renewal Center in Brentwood.

Provided food, clothing, health packs to homeless on the streets of Nassau County for Christian Holy days with the Jesus Sisters.

Served weekly at St. Joseph's Pantry at Gloria Dei Lutheran Church.

Served as a & Spiritual Advisor on Christian Retreat weekends with Tres Dias.

Serve as Secretary to the Tres Dias Secretariat.

Supplied ministry services at St. Andrews, Bellmore Presbyterian, United Lutheran, Gloria Dei NHP, Holy Trinity, & Christ Lutheran.

Co-Facilitated Women in Recovery retreat called Drop the Rock.

Coordinated a Tag Sale & Rock N Recovery Dance at St. Peter's for the benefit of the LIRA.

Attended Bishop's Retreat with our new Bishop in 2025 in CT.

Coordinated a Habitat for Humanity build in Bellport. Also volunteered at Restore for a day.

Served with the Peconic Women's Conference for a day retreat, providing yoga for women.

Attended Chrism Service in Mamaroneck with Bishop Katrina.

Became a Mentor for a new Deacon Intern.

Continued daily prayer and meditation praising God with a heart filled with gratitude asking, "Him to use me" and asking Him, "to deepen my connection with Him and live a life that is pleasing to Him."

Each of the above ministries continues to bring blessings to me and opportunities to serve our Lord.

“Soup for the Soul:” ULCLI Soup Ministry

In July 2024, the United Lutheran Church of LI (ULCLI) launched its first ministry combining the efforts Gloria Dei Lutheran Church, King of Kings Lutheran Church, and St. Peter’s Lutheran Church, while these three churches worked their way through the highly anticipated consolidation of the churches.

A “soup ministry” was created with the goal of supplementing the various programs dedicated to community hunger needs already supported by each church. The ULCLI soup ministry has been named ***“Soup for the Soul,”*** and initially focused on the needs of the combined congregations.

Once a month soup making volunteers get together and prepare the “soup of the month.” The soup is put in pint and quart containers, then placed in church freezer. These containers are adorned with a label listing the ingredients, along with a short prayer. The congregation has been invited to help themselves to take what they want from the freezer, for themselves or anyone they know who could benefit from a container of soup. Soup is now not only providing a meal for those in our congregation that have a need, but also to sick or shut-in neighbors, as well as church members residing in assisted living facilities. There are no restrictions on who can take soup, or how many containers can be taken and there are no questions asked. Everyone knows, when the soup is gone, it’s gone and will wait for the next pot to be made.

This ministry has made it a priority to be all inclusive; there are multiple ways to help the ministry by anyone who wants to. A soup recipe is selected each month and an “ingredients needed” list is posted in the narthex. Volunteers sign up to donate the ingredients. There are members who assist by donating supplies needed, for example cases of soup containers. A soup pot is located in the church narthex, for anyone who wishes to contribute towards the ministry expenses.

The volunteers who turn out each month to cook include people in all age groups, including our youth. We have had enough volunteers to incorporate some baking while waiting for the soup to finish cooking. The baked goods are donated for coffee hour the next day.

ULCLI participates in the HIHI program, providing meals for the homeless through the Family Service League. ***“Soup for the Soul”*** provides a meal a month to HIHI during the months the program operates. Soup is made and bagged with other fixings for a dinner for the HIHI clients. The soup ministry has been well received by the congregation, and their support is greatly appreciated.

Sandra Dietrich June 7, 2026

United Lutheran Church of LI
2026 Annual Report
Joseph's Storehouse Food Pantry

The Joseph's Storehouse Food Pantry at our Gloria Dei campus continues to grow in serving the Huntington community. In 2025, the Pantry served 26,825 individuals – an increase of more than 6% over the same period in 2024. We registered 291 new clients last year, and we now have over 1,300 different households or individuals currently registered to use the Pantry. The demographics of our client base includes 46% adults, 39% children and 15% seniors.

Among our clients, we continue to see an increasing number of homeless. We currently have over 30 known homeless clients (voluntary disclosure), who visited the Pantry 389 times last year. This requires us to actively acquire more ready-to-eat food each week to distribute to those without the facilities to cook.

Joseph's Storehouse is very aggressive in food acquisition. Using the church-provided van, Pantry volunteers pick up most of the food we offer, with 8 scheduled pick-ups per week. In addition to our affiliation with the local food banks – Long Island Cares and Island Harvest – we have long-standing relationships with Trader Joe's, Value Drugs, Whole Food Market and Suffolk County Girl Scouts. And, more recently, we have developed very favorable alliances for Food Rescue USA and the Redefine retail store in Huntington Village. All of these food sources have helped us meet the growing needs of our clients on a weekly basis.

In addition to food, the Pantry offers clients the opportunity to “shop” in our clothing and household items Closet. All men's, women's and children's clothing and shoes, accessories, small household items and home decor are acquired through regular donations from the community. Each week, clients visiting the Pantry can select 3-4 items for themselves and their families. Everyone goes home happy and excited to have something new each week.

All of the volunteers at Joseph's Storehouse (including some ULC members) feel very blessed to provide this needed service to our community and are thankful to our church family for their sponsorship of this mission and their continued support.

Respectively submitted,
Katherine Readinger
Pantry Volunteer and ULC Member

St. Peter's Annual Report 2025-2026
Feed the Hungry Program

St. Peter's Feed the Hungry Program is in its 32nd year of continuous operation. The program was started in 1993 as a grass-roots program to aid the hungry and homeless in our community and has continued with uninterrupted deliveries 52 weeks a year since then.

St. Peter's Feed the Hungry Program continues to provide protein donations twice weekly to complement the groceries given out to families by the Helping Hand Rescue Mission in Huntington.

The program is entirely volunteer run. During the past year 10 individuals shopped for and delivered healthy, nutritious fresh foods to The Helping Hand Rescue Mission on Broadway in Huntington Station.

Funding for the Feed the Hungry Program does not come from St. Peter's budget, but from grant requests which are becoming harder and harder to procure. Grants for 2026 will probably total no more than \$5000, and in the near future we may have to cut back on our weekly budget, due to the decline in funding.

During the month of October 2025 as part of our collaborative efforts with Gloria Dei Lutheran Church and King of Kings Lutheran Church (ULC) we were able to partner with Thrivent Northeast, collecting more than 2000 non-perishable food items for the Helping Hand Rescue Mission and Joseph's Storehouse at Gloria Dei Lutheran Church. In addition to receiving the food items for their pantries, the Rescue Mission was awarded a \$500 check directly from Thrivent. Thank you to all who have given unselfishly of their time to help our neighbors. We are always looking for additional "shoppers". If you are interested in being part of the team, contact Jane Maresco at 631 357-1072 or jcmdoer@verizon.net

Jane Maresco, Program Coordinator

Annual Report 2026 from Laurie Haddock:

This year, as the Minister of Music/Youth & Family for the United Lutheran Church, my choirs continue to make wonderful music! I also lead the children of our congregation and community through music and other activities. I have also created events for our Sunday school children and our newly formed Youth Group. The Family Choir has 5 faithful members, and we have sung mostly every 2nd Sunday, Christmas Eve, and Good Friday at King of Kings. We have also sung multiple times this year WITH our Sunday School children and families. Our members are: Leanne Haddock, Kathy Abdis Mike Wagner, Bill Eagen and Chris Okolie. The Bell Choir has grown this year to 11 members. This is the optimal number for playing most arrangements of music for handbells. We have mostly played on 4th Sundays, Christmas Eve, and Easter. Our members are: Kim Wagner Prezby, Erin Haddock, Jane Maresco, Jennifer Schmelter, Chris Brandine, Kurt Dietrich, Barbara Harris Corinne Stepniewski, Amanda Pick, Annie Stead and Annabelle Stead.

This year's Easter Egg Hunt was HUGE!!! I can say it was successful in that no one was hurt but we had over 800 people compared to last year's 325!! All feedback from parents was positive! We had about 80 youths and adults come to stuff eggs. We had stuffed 6000 eggs. Although we divided everyone into 4 groups that rotated through all of the activities, there just wasn't enough room for everyone, and because of the amount of people, many did not follow directions. The children heard the Easter story, baked resurrection bread, played bingo, did a number of activities in the gym, and had relay races outside before the hunt. Pastor Christian led the story time. I cannot thank my adult volunteers enough for being there and helping to maintain some semblance of order but we will be having a post egg hunt meeting to discuss how to improve things for next year.

I continue to post pictures and videos of our services and events on our Facebook page. I share our events and services in all of the Huntington FB groups to show that we are alive and well and that people should come back and/or give us a try!

With lots of help, I have cleaned and organized our new Sunday School office, Youth Room, the St. Peter's Room, the Music Room, and the Narthex. I have also created bulletin boards in those rooms and in the hallways. Since last summer, I have held many family events including a beach night, volleyball night, paint nights for the youth, gingerbread day, parent respite nights at my home, and game night. More plans for youth and family are in the works!

ULC Property Management Committee – Annual Report (2026)

The Property Management Committee was collectively launched this past year, becoming one of the final ancillary committees established as part of our ongoing collaboration across the three campuses of the United Lutheran Church.

Historically, a wide range of employees and volunteers have faithfully supported the maintenance and stewardship of our beautiful and expansive properties. As we continue to unify our efforts, this committee serves as a central point of coordination, planning, and communication for all property-related needs.

Overview of Collaboration Properties

Our collaboration includes three distinct campuses, each with its own unique footprint, history, and facility needs:

Gloria Dei Campus

Property Size: ~3.17 acres

Buildings (5):

- Church Sanctuary
- Gymnasium / Food Pantry
- Original Chapel
- Pastor Parsonage
- Sexton Parsonage

King of Kings Campus

Property Size: ~2.49 acres

Buildings (2):

- Church Sanctuary
- Parsonage

St. Peters Campus

Property Size: ~10.07 acres

Buildings (2):

- Church Building (Sanctuary, Preschool, Auditorium, Gymnasium)
- Sexton Parsonage

Completed and Ongoing Projects (Past Year)

Gloria Dei

- Painting of the exterior church sanctuary and steeple
- Replacement of the Chapel roof
- Renewal of the Pastor's Parsonage basement, with fresh painting, updated plumbing, and removal of a nonfunctional bathroom.
- First-floor sink vanity replacement and plumbing fixture renewal in the Pastor's Parsonage
- **Pending:** Replacement of the church food pantry van
- **Pending:** Assessment of handicapped access to Olson Hall

King of Kings

- Replacement of the church roof

St. Peters

- Mitigation and improvement of door locks and signage at the gymnasium
- **Pending:** Scheduled replacement of the south door
- **Pending:** Repair of the sanctuary heating system

Committee Activity and Collaboration

Committee Members: Kurt Sobina, Ed Boos, Bill Eagan, Eileen Gray, John Litke, Kevin Smuss

As we move forward in this shared ministry, our goal is to identify and adopt the best practices from each campus to strengthen our collective efficiency, stewardship, and fiscal responsibility. This year, the committee has met in January and March, focusing on property conditions, ongoing challenges, and future initiatives. These meetings have been marked by thoughtful discussion, collaborative problem-solving, and a shared commitment to the long-term care of our facilities.

I want to extend my sincere appreciation to the committee members for their dedication, insight, and willingness to engage deeply with the complex needs of our properties.

We are also blessed with many volunteers who support this work and our sextons across all three campuses. While I am still learning names and faces, I would undoubtedly overlook a volunteer if I attempted to name them all. I want to express my heartfelt gratitude; your contributions do not go unnoticed. THANK YOU for your time, your hands, and your commitment to our shared mission.

I warmly invite all volunteers, as well as any interested members of the congregation, to attend our meetings. If you would like to join us or simply sit in to learn more, please contact me so you can be included. We are a busy group, and we always have meaningful work ready for anyone eager to help.

Closing

The Property Management Committee looks forward to another year of progress, collaboration, and faithful stewardship. Together, we will continue to care for the spaces that support worship, ministry, fellowship, and community service across all three campuses of the United Lutheran Church.

Respectfully submitted,

Kurt Sobina

Property Management Committee Chairperson

FINANCIAL REPORT

As you all well know, it has been an involved process trying to bring the three congregations together as one. This includes financial reporting. Each location has a separate set of records and reporting procedures. For the fiscal year ending June 30, 2026, we combined these records and procedures to reflect the financial position of the now one entity, United Lutheran Church of Long Island. For this meeting, we had to work with current records and then project how the rest of the year should play out. After the year closes on June 30, 2026, final financial reports will be available.

The activity of the general unrestricted fund (operating fund) shows a combined loss of approximately \$50,000. This unanticipated loss was due mainly to the unprecedented rise in utility costs, snow plowing costs, and legal fees associated with the consolidation.

While

there are funds available to absorb this loss, the goal is to not operate at a loss in the future, or to at least keep the loss to a minimum.

For the fiscal year ending June 30, 2027, the budget we are proposing shows a loss of approximately \$24,000. I cannot stress enough how difficult it is to anticipate activity that may or may not occur in the future. We will continue to monitor our financial position monthly. After the six-month period ending December 31, 2026, we will let the congregation know as to how the year is unfolding. This should provide enough time to allow for corrective action to be taken if necessary.

When the year ends on June 30, 2026, we should have approximately \$420,000 in cash and investments, which is a direct result of the consolidation. We have approximately \$220,000 in designated funds. These designated funds were created for a singular purpose outside of the general operations of the Church and must be used for that stated purpose. This leaves approximately \$200,000 in the unrestricted fund which can be used for the general operations of the Church.

We remain cautiously optimistic about our financial future. I believe we came together nicely and are acting more and more as one cohesive unit. I am sure that together we can help grow the Church.

Respectively submitted,

Peter Grasso

Nursery Preschool Annual Report 2025/26

Our school year is winding down with plans being made for end of year activities.

Our last days of classes will be Tuesday, June 16th, and Wednesday, June 17th. These are presentation and party days for students and family members, with early dismissal. Graduation for our Pre K students will be Wednesday, June 17th, at 7:00 p.m., which takes place in the Church, and is followed by a brief reception for families in the Lower Auditorium.

Our final staff meeting and clean-up day will be Thursday, June 18th.

2025/26 School Year

Staffing and Registration

St. Peter's Nursery Preschool has registration in 2 yr. old (Toddler), 3 yr. Old (Nursery), and 4 yr old (PreK) morning classes, 9:30-12:30. In addition, 3 and 4 yr. old children may enroll in Enrichment classes, offered 12:30-2:00 each day. We also offer Before care to any enrolled child, beginning at 8:30 each day.

Our total enrollment for the 2024-25 school year is 110. We have on average 20-25 students staying for Enrichment classes, which are offered each day in 3 sessions throughout the school year. Before care enrollment varies; with no more than 5 children on a given day.

Class configuration is as follows:

Pre K

M-F -16

MWF-7

3's

MWF-13

MWF-13

T/TH -10

T/TH -10

T/TH -11

2's

MWF-9

M/W-8

T/TH - 7

T/TH-6

We currently have 16 staff. **Christa Cajowski**, is a Leader in a 2 yr. Old MWF and T /TH class, an Enrichment Leader, and an Enrichment Assistant. Christa also is Before care staff and is our Technology Specialist, managing our Facebook and Instagram accounts. Christa's Assistant is **Tara Prasert** (MWF and T /TH's 2's). Tara is also an Enrichment Assistant and Before care staff.

Renee Gervasio is a Leader in the M/W and T/TH 2 yr. old class. Renee is also, our bookkeeper. Renee's Assistant in the M/W and T/TH 2 yr. old class is **Kristy Marsden**.

Our 3-year-old staff consists of: **Jamie Larini**, teacher MWF and T /TH 3's, assisted by **Candace Baldwin** MWF and T /TH; **Jennifer Jaffe**, teacher MWF and T/TH 3's, assisted by **Christine Lublin** MWF and T/TH, and **Kate Ellis**, teacher T /TH 3's, assisted by **Kathy Rapp**. **Mary Getfield** is the M-F Pre K teacher, assisted by **Vanessa Sesterak**.

Kate Ellis is the MWF Pre K teacher, assisted by **Peggy Geoghan**.

Jane Guttridge is the Administrative Assistant, and **Eileen Dost** is the Director of our program.

Staffing and Registration for the 2025-26 School Year

Registration for the 2026/27 school year began in January; enrollment is rolling. Our enrollment numbers are healthy, with a total of 107 children registered to date. While our numbers are comparable to our previous years, our class composition has changed dramatically due to UPK- Universal Pre K. While UPK has plagued our Pre K enrollment for the past 10 years or more, it had not posed the issue we were faced with this enrollment cycle, as a result of the establishment of a stand-alone UPK center and the lack of the need for a lottery system. In essence, any family seeking a spot in the district's program received one, without being placed on a waitlist.

While given the choice between programs, many families are forced to choose a free program, regardless of their loyalty or desire to remain with us. While we knew this day was coming, it was quite a hit to our Pre K program, forcing us to rethink how to accommodate the few families that have remained with us. We began Pre K enrollment with 10 families registered for combined M-F and MWF classes. Of those 10, we are down to 6 children attending a MWF Pre K class, with 2 of them attending a T/TH mixed age group; something we've never done before as it has been our policy to keep children grouped according to the district's cutoff date for kindergarten.

Where we lack enrollment in the Pre K program, we have made up for with our 3 yr. olds registered. In addition, the 2 yr. old registration is very strong for this time of year, as we do tend to get registrations over the summer for the 2 yr. olds.

Class configuration is as follows:

MWF Pre K-6

3's

MWF-13 MWF-13 MWF-15 T/TH - 9

T/TH -10

2's

M/W-5 MWF-10 T/TH - 8 T/TH-8

With regard to staffing for the 2026/27 school year, staffing will change slightly. While we most likely will lose Kate Ellis, 3 and 4 yr old teacher, Samantha Martin, a recent addition to our summer staff, would assume responsibilities for a 3 yr. old class. While we are hoping that Kate will remain with us, she is hopeful to get a full-time position. She has been a wonderful addition to our staff; she will be greatly missed.

We are equally happy to welcome Samantha, whose teaching experience has been with the DOE.

The remainder of the current staff will be returning for the '26/'27 school year.

Summer Session 2026

While our licensing requires that I oversee and be the Administrator of record for our Summer Program, Christa Cajowski will be handling the Administration of our Summer 2026 program.

The Summer Program will run 4 weeks: July 7th - July 30th, Tuesday, Wednesday, and Thursday's, from 9:30-12:30.

We have 53 students enrolled: 2 classes of 3 yr olds, 1 class of Pre K, and 1 class of those moving to Kindergarten.

The program will be staffed by in house staff, one of our substitutes, as well as one of our parents, who is a teacher, and a high school student of one of our staff. All have been fingerprinted and completed the paperwork required to work in a licensed facility.

Each week we will have a special in-house field trip for the children. To date we have made arrangements for the Fire Department to come with a Fire Truck, Once Upon a Farm Animals, and a Touch Tank through the Waterfront of Oyster Bay.

In addition, music specials will be provided by Laurie Haddock.

Enrichment Classes

Enrichment classes will continue to be offered to 3 and 4 yr old children and will extend their day from 12:30 - 2:00. Enrichment classes are offered M-F. Class offerings may differ from year to year as they are based on what staff are interested in teaching. The classes have varied throughout the years, but are likely to include Literacy, Art, and Music and Movement. This current school year we have offered Literacy, Art, Sign Language, Spanish, and Music and Movement.

Previous years have seen classes in Sports, Yoga, Cooking, and STEM to name a few.

Families may register for Enrichment as an Extended Day student, or they may enroll by session. Enrichment is offered in 3 10-week sessions. Children bring their lunches from home and participate in a hands-on activity pertaining to the Enrichment topic.

Before care

Before care is offered to families who may need it on a regular basis or in an emergency. Before care is offered each day, beginning at 8:30. Families interested may indicate on their registration form, and/or as needed. They sign in and are billed at the end of each month.

Chapel Service

Once a month, as a school, we gather in Church with Pastor. The children and staff alike have delighted in having Pastor Christian read and sing to - and with the children. New this year, he has been reading from "The Beginner's Bible for Little Ones", with 8 simple and relatable stories, fitting in perfectly with our calendar. He has been so engaging and so wonderful with the children!

While parents are invited to attend these Chapel services, as they take place at the beginning of our session, it is rare to see them here. We do invite them to attend special Chapel days at Thanksgiving, Christmas and at Easter. On these special Chapel Days, families are invited and do attend. The children have special presentations for their families on these days.

Music Specials

While not on staff, we were able to have Laurie Haddock here with us 2x a month, working with the children, bringing her music and a special kind of joy! We are truly hoping to work this out for the 2026/27 school year as well.

HOOP DREAMS BASKETBALL PROGRAM

Hoop Dreams has grown to serve over 600 kids in the HUNTINGTON community.

We offer teams, camps, clinics, and a k-2 beginners' program. I am so grateful to the St Peters community for allowing me to work with kids' day and day out to create memories of their childhood that will hopefully be preserved in their parts and minds for a very, very long time.

Tim Carr
